Advice on Email Addresses

It is recommended that you utilise a central email address or an insolvency specific email address that several people at your organisation will be able to review and see. This means that in the event of employee / user absence, the mail box is always covered by someone else.

Login Types

There are two possible methods of logging in.

Ideally you will want to use your Unique Log in because it will allow you to do so much more within the Portal.

The Unique login will allow you to do so much more. But it will be unique to **you** and **the particular proceedings** (e.g. liquidation). You are advised to not share your unique log in details with anyone else.

Either way, the password is what is key and will determine whether you have unique access or general access.

You can request your Unique Login details at any point from the Office Holder's office. Their contact details are found in "Further Help" below.

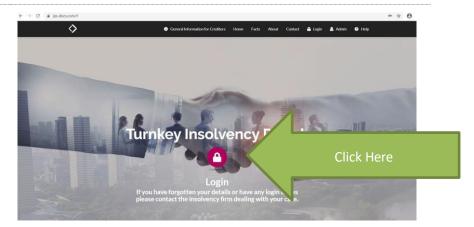

Go the Creditor Portal website

https://www.ips-docs.com/

You will see the following:

Enter the login details supplied by the insolvency practitioner

If you have forgotten your login details, contact the firm dealing with your case.

LODGING A CLAIM

If you are owed money in these proceedings, you can lodge your claim and proof of debt via the Portal using your Unique Login details.

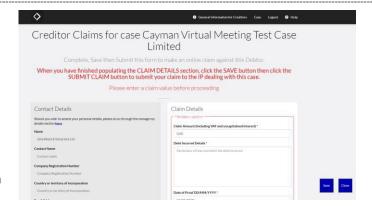

Once submitted, the information is transmitted to the Office Holder and you can keep track of the claim progress.

You see:

On the left hand side of the screen you will see your contact detail (you cannot amend them here – there is a link at the top to take you to the section where details can be amended – See "Updating Contact & Bank Details" above).

You will need to complete the details on the right hand side.

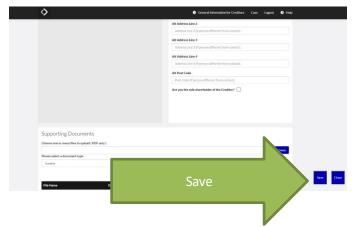

Work your way down the right hand side of the Claim form until you get to the bottom.

Keep going entering all the relevant information, or stating "Not Applicable" if that is the case.

You can save regularly using the [Save] icon.

If you wish to submit evidence to support your claim see "Submitting Evidence" below. Please only provide the evidence if the Office Holder requests you to do so.

Click on [Submit Claim]

Your claim is not submitted until you have clicked the [Submit Claim] button.

You will be asked whether you want to submit the claim

If you are ready to transmit the data, Click [Yes]

You should receive the following confirmation message:

Click [OK]

If the screen does not automatically close after submitting the claim, then select [Close]

Selecting [Close] without clicking [Submit Claim] means that the form has not been sent to the Office Holder.
