Section 1 Purpose of the Joint Administrators' progress report

Introduction

This is the 17th progress report by the Joint Administrators (the "Administrators") of Lehman Brothers UK Holdings Limited ("LBUKH" or the "Company").

This report provides an update on the work the Administrators have undertaken and the progress made since their appointment, with particular focus on the progress made in the six months to 28 March 2017 (the "reporting period").

Objective of the Administration

The Administrators have pursued the objective of achieving a better result for LBUKH's creditors as a whole, than would be likely if the Company were wound up (without first being in Administration).

The specific aim of this Administration has been to protect and control any return on the Company's investments in subsidiaries and intercompany book debts for the benefit of creditors.

The Administrators now consider that the objective of the Administration has been achieved and so, as explained in Section 2, steps are being taken to bring the Administration to an end.

Outcome for creditors

On 2 May 2014, the Court granted the Administrators permission to make distributions to LBUKH's ordinary unsecured non-preferential creditors.

(i) Ordinary unsecured non-preferential creditors

On 4 September 2014, the Administrators distributed 100 pence in the £ to LBUKH's unsecured creditors in full and final settlement of their claims. Creditors have waived their right to receive future distributions.

(ii) Subordinated creditor

In the reporting period, the sole subordinated creditor Lehman Brothers Luxembourg Investments S.a.r.l. ("LBLIS") assigned its admitted

claim to Lehman Brothers UK Holdings (Delaware) Inc. ("Delaware"). See Section 2 for more details.

On 8 February 2017, the Administrators declared and paid a fourth and final distribution of £158.3k, equivalent to 0.015p in the £.

The Administrators have now made four distributions to LBUKH's sole subordinated creditor in respect of its admitted claim of £1.05bn, equivalent to 10.592p in the £.

Surplus funds after final costs on completion of the Administration (if any) will be distributed to Delaware.

Final report

The Administrators' final progress report will be sent to creditors on the conclusion of the Administration.

Section 2 Joint Administrators' actions to date

Background

When the Administrators were appointed, LBUKH was the holding company for Lehman Brothers Holdings plc ("LBH") and Lehman Brothers (PTG) Limited, both of which are in Administration. The Company principally acted to manage the flow of investment funds between these subsidiaries.

The book value of debtors at the date of Administration was \$45m.

Administrators' actions to date

Inter-company debtors

Creditors will recall that in October 2011, the Administrators entered into a settlement agreement with Lehman Brothers Holdings Inc. ("LBHI"), in conjunction with other UK affiliates and certain other affiliates previously subject to Chapter 11 proceedings in the USA. Under this agreement, LBUKH's guarantee claim against LBHI was agreed at \$608.9m and its direct claim was agreed at \$10.6k. Dividends received from LBHI total \$185.4m.

Distributions received from other debtors total £1.3m.

As stated previously, the Administrators assigned LBUKH's receivables to its sole remaining creditor as part of the third interim dividend. Accordingly, no dividends were received by LBUKH in the reporting period and any future dividends from LBUKH's debtors will be paid directly to Delaware.

Distributions to the subordinated creditor

As previously reported, in late June 2015, LBUKH and LBLIS submitted a joint application seeking directions from the Court to establish how LBUKH should proceed to distribute to its subordinated creditor in light of the various loan agreements between LBUKH and LBLIS.

As outlined in previous reports, the Court's ruling on 13 January 2016 allowed for funds to be distributed to the Company's sole subordinated creditor. In total, LBUKH has made four distributions in respect of the admitted subordinated claim against the Company, with a cash value equivalent to £113.4m,

as well as a distribution in specie of the Company's receivables.

Investigations and actions

Nothing has come to the Administrators' attention during the reporting period to suggest that any further work is required in accordance with their duties under the Company Directors' Disqualification Act 1986 and Statement of Insolvency Practice No.2.

Closure strategy

Exit route

The Administrators are now proceeding to bring the Administration to a close and are in the process of finalising outstanding costs. As set out in the Administrators' proposals and approved by creditors on 3 December 2008, once all work has been completed, the Administrators will file notice of move from administration to dissolution with the Registrar of Companies. The Company will be dissolved three months after the notice has been registered.

Tax clearance

The Administrators have brought all LBUKH's corporate tax returns up to date. Final tax clearance has now been obtained, HM Revenue & Customs ("HMRC") having confirmed that it has no objection to the Administration ending and the Company being dissolved.

Discharge

On 16 December 2016, the High Court of Justice granted the Administrators' application for each of the Administrators presently in office to be discharged from liability pursuant to Paragraph 98(1) of Schedule B1 to the Insolvency Act 1986 ("IA86") in respect of any action of theirs 14 days after they cease to act.

In June 2013, approval was obtained from LBUKH's creditors for the Administrators' remuneration to be fixed by reference to the time properly given by them and the various grades of their staff. The creditors also resolved that the Administrators may draw their time costs on account from time to time.

The Administrators received written confirmation that LBLIS did not require the Administrators to provide the additional information stipulated in the revisions to SIP9. Accordingly, the Administrators have prepared this report on this basis.

Disbursements

The Administrators are not required to seek approval to draw expenses or disbursements unless they are for shared or allocated services provided by our own firm, including room hire, document storage, photocopying, and communication facilities. These types of expenses are called "Category 2" disbursements and they must be directly incurred on the case, subject to a reasonable method of calculation and allocation and approved by the same party who approves our fees.

Category 1 disbursements comprise payments to third parties, for example in relation to travel costs and insolvency office holders' insurance.

The Administrators' expenses policy allows for all properly incurred expenses to be recharged to the Administration.

The Administrators have incurred Category 1 disbursements of £3 in the reporting period. These have not yet been paid.

No Category 2 disbursements were incurred or paid during the reporting period.

Creditors have the right to challenge the Administrators' remuneration or other expenses if they think that they are excessive. Notes

- (1) A nominal distribution in favour of LBLIS was subsequently distributed to Delaware following the assignment of LBLIS's claim to Delaware.
- (2) Payments relate to services provided by LBIE and LB SF Warehouse Limited, benefitting creditors through cost savings from the centralisation of services.
- (3) Due to the nature of the Company's former business, it is not entitled to recover input VAT on its costs.
- (4) Funds were invested on the money markets in order to accrue interest and to manage risk.
- (5) All of the Company's assets are uncharged, there being no secured creditors.
- (6) The estimated to realise values of assets shown in the directors' statement of affairs do not represent a meaningful comparison with the current position and are therefore excluded.

The Administrators' remuneration has been fixed by reference to the time properly given by the Joint Administrators and their staff in attending to matters arising in the Administration. The minimum unit for time charged by the Administrators and their staff is 0.05 of an hour.

Specialist departments within PricewaterhouseCoopers LLP, such as Tax, VAT and Pensions, do sometimes charge a small number of hours, should we require their expert advice. Their rates do vary, however, the figures shown give an indication of the maximum rate per hour.

Per the agreement with Lehman Brothers International (Europe) ("LBIE")'s creditors' committee, the LBIE charge-out rates were held unchanged from 1 July 2012 to 30 June 2015. An increase of 3% in charge-out rates is effective from 1 July 2015 to 30 June 2017, and in line with other Group affiliates controlled by PricewaterhouseCoopers LLP's office holders, this approach is also used for LBUKH.
