# Section 1: Introduction

This report has been prepared by the Administrators of Lehman Brothers (PTG) Limited, in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016.

This is the twenty-sixth progress report to the unsecured creditors of LB PTG and it provides an update on the work that the Administrators have undertaken, and the progress made since their appointment, with particular focus on the progress made in the six months to 5 November 2021 (the "Reporting Period"). The statutory receipts and payments account for the Reporting Period is attached at Appendix A.

We have sought not to duplicate information disclosed to creditors in prior reports and updates, copies of which can be found at:

<https://www.pwc.co.uk/services/business-restructuring/administrations/non-lbie-companies/lbptg-limited-in-administration.html>

## **Objective of the Administration**

The Administrators continue to pursue the statutory objective of achieving a better result for the Company's creditors as a whole than would be likely in a winding up (without first being in Administration).

The specific aims of this Administration are to:

- Realise all assets, including cash and interest in real estate, on a managed basis;
- Mitigate so far as possible and agree in principle the claims of all creditors; and
- Continue to manage investments in LB PTG's subsidiaries to maximise returns to creditors.

## **Outcome for creditors**

Creditors may recall that on 24 June 2013, the Court granted the Administrators permission to make distributions to the Company's unsecured creditors.

During the Reporting Period an 11th interim distribution of £970,845 was paid to creditors. Total cash distributions of £96,000,019 and US\$4,163,345 have been paid to date, equating to cumulative dividends totalling 54.203 pence in the pound.

The Administrators expect to make further interim cash distributions during the administration, although the exact quantum and timings remain contingent upon the outcome of the issues detailed in Section 2.

## **Extension to the Term of Office**

The Administration was due to expire on 30 November 2021. Following an application to Court, an Order was made by the Court extending the Administrators' term of office to 30 November 2023. This will enable the Administrators to continue to realise the Company's assets and make further distributions to its creditors.

## **Change of Administrators**

Following the end of the Reporting Period, and upon an application to the High Court of Justice (the “**Court**”), an order (the “**Order**”) was made on 16 November 2021 that, with effect from 30 November 2021, DJ Kelly be appointed an Administrator and that DH Howell and R Downs each cease to be an Administrator of the Company. The Court also ordered that DH Howell and R Downs shall be released from all liability (pursuant to the relevant sections of the Insolvency Act 1986 and/ or the 2016 Insolvency Rules) in respect of their acts and omissions and otherwise in respect of their conduct as Administrators of the Company and that such release shall take effect 28 days after notification of the Order in the London Gazette. The Court gave permission for any creditor of the Company to apply to vary or discharge this Order by making an application within 28 days of notification of the Order in the London Gazette. The Order was notified in the London Gazette on 30 November 2021.

## **Future reports**

The Administrators’ next formal progress report to creditors will be in six months’ time.

Signed:

GE Bruce  
Joint Administrator  
Lehman Brothers (PTG) Limited

# Section 2: Progress during the reporting period

## Overview

LB PTG was initially funded by Lehman Brothers Holdings Inc. (“LBHI”) with the objective of investing in real estate companies within the Lehman Brothers group, principally Eldon Street Holdings Limited and Thayer Properties Limited.

Creditors will recall that the Company’s assets fell into three primary categories:

- Debtor balances due from LB PTG’s immediate group as well as the wider Lehman Brothers group;
- Directly owned interests in commercial real estate; and
- Investments in subsidiary companies.

Details of the Administrators’ steps to realise LB PTG’s key assets are set out below.

## Realisations from UK subsidiaries

### Eldon Street Holdings Ltd (“ESH”)

LB PTG’s principal remaining asset is its £210,654,400 claim against ESH. In the Reporting Period, ESH declared and paid to LB PTG an eleventh interim dividend of £1,020,119, representing 0.4843 pence in the pound. Cumulative receipts from ESH now total £101,362,604.

Further distributions from ESH remain contingent upon a chain of recoveries which has been described in our previous progress reports. In summary, they depend upon further recoveries that ESH can make from Lehman Brothers Holdings Plc (“LBH”), which in turn depends upon further recoveries LBH is able to make from LB Holdings Intermediate 2 Limited (“LBHI2”). The extent of future recoveries by ESH and by LBH is impacted by the subordinated debt litigation (**‘Priority Application’**) being pursued by LBH in the LBHI2 estate.

The Priority Application was first heard in November 2019 and the Court’s Judgement was handed down on 3 July 2020. Amongst other matters, it was found that LBH’s subordinated debt claim against LBHI2 ranked senior to that of Lehman Brothers Holdings Scottish LP3 (**‘SLP3’**) (a controlled subsidiary of LBHI). At subsequent hearings, SLP3 was granted permission to appeal the ranking of the subordinated debts, as well as certain other matters.

The appeal was heard by the Court of Appeal in early October 2021, and on 20 October 2021 the Court of Appeal handed down its Judgment, upholding the decision that LBH’s subordinated debt claim against LBHI2 ranks senior to that of SLP3.

It is understood that on 17 November 2021 SLP3 applied to the Supreme Court for permission to appeal. The Supreme Court's decision on whether to allow an appeal is awaited. The final decision of the Supreme Court will therefore have a significant impact on the timing and quantum of any future PTG recoveries from ESH.

High-level summaries of the outcomes of LBH's hearings and copies of the orders, as well as other information concerning the Priority Application, are available on LBH's website at:

<https://www.pwc.co.uk/services/business-restructuring/administrations/non-lbie-companies/lbh-plc-in-administration.html>

Future recoveries by LBH from LBHI2 are additionally dependent upon the eventual outcome in the administration of Lehman Brothers International (Europe) and LBHI2's interests in the Wentworth joint venture. These matters have also been described in our previous progress reports.

### **Overseas subsidiary investments**

LB PTG owns 51% of an Italian subsidiary known as Initium SRL ("Initium"). Initium is currently in Italian insolvency proceedings, with the liquidator continuing to realise Initium's portfolio of real estate assets.

During the Reporting Period a further distribution of €76,500 was received and realisations to date total c.€3.1m. Further realisations are anticipated although the quantum and timing are uncertain.

### **Other subsidiary investments**

LB PTG owns 100% of the shares in a UK subsidiary, Grace Hotels Limited ("Grace"), which is in liquidation. To date, LB PTG has received £600k from Grace in shareholder dividends. No further dividends are expected and we understand that the liquidators of Grace are taking steps to bring the liquidation to an end.

### **Creditors**

As mentioned above, in the Reporting Period LB PTG received from ESH an eleventh interim distribution £1,020,119. This, in turn, enabled LB PTG to pay an eleventh interim distribution of £970,845 to its creditors in September 2021, representing 0.531 pence in the pound. Total cash distributions of £96,000,919 and US\$4,163,345 have been paid to date, equating to a cumulative dividend of 54.203 pence in the pound.

In view of the issues described above it is anticipated that further interim distributions will be declared, although in light of the application by SLP3 to the Supreme Court, the timing and quantum remain uncertain.

# Section 3: Other matters

## Corporation Tax

All corporation tax returns up to and including the year ended 5 November 2020 have been submitted to HMRC.

LB PTG has £3.18m of pre-April 2017 losses and £0.42m of post-April 2017 losses carried forward as at 5 November 2020.

The Administrators have met their obligations under the Senior Accounting Officer legislation and regarding the publication of the Lehman group Tax Strategy. The Administrators have also adhered to the UK and US Foreign Account Tax Compliance Act and Common Reporting Standards and have considered their obligations under the Corporate Criminal Offence rules.

## Our receipts and payments account

An account of the receipts and payments for the six months to 5 November 2021, together with a cumulative total since the beginning of the Administration, is in Appendix A.

## Our remuneration and expenses

Statement of Insolvency Practice number 9 ('SIP9'), issued by the Institute of Chartered Accountants in England and Wales, applies to all open insolvency cases. SIP9 details the disclosure standards required by insolvency office holders in respect of fees, expenses and payments to associates.

In accordance with SIP9, we set out:

1) In Appendix B, a statement of the expenses that the Administrators incurred in the Reporting Period, together with an estimate of future expenses. The information in the expenses statement should be read together with the receipts and payments account in Appendix A, which shows expenses actually paid during the Reporting Period but excludes those incurred which have not yet been paid.

2) In Appendix C:

- an analysis of the Administrators' time costs for the period 1 April 2021 to 30 September 2021, including the cumulative total time costs from the date of the Administrators' appointment to 30 September 2021, and
- a summary of the Administrators' time costs for the period, including the key categories of work, further information on the work undertaken, a description of why the work was necessary, how the work benefits creditors and whether it was required by statute.

Time costs for period 1 April 2021 to 30 September 2021 total £129,334 plus VAT, which represents 205 hours at an average hourly rate of £630.

## Disbursements

Category 1 disbursements comprise payments to third parties, for example in relation to travel costs, statutory advertising and insolvency office holders' insurance. The Administrators are not required to seek approval to draw Category 1 disbursements.

Category 2 disbursements for shared or allocated services provided by our own firm, including room hire, document storage, photocopying, and communication facilities must be directly incurred on the case, subject to a reasonable method of calculation and allocation and approved by the same party who approves the Administrators' fees.

The Administrators' disbursements policy allows for all properly incurred disbursements to be recharged to the Administration.

Category 2 disbursements of £16 were incurred in the Reporting Period.

### **Creditors' rights**

Creditors have the right to ask for more information within 21 days of receiving this report as set out in Rule 18.9 IR16. Any request must be in writing. Creditors can also challenge fees and expenses within eight weeks of receiving this report as set out in Rule 18.34. This information can also be found in the guide to fees at:

# Appendix B: Expenses

The following table provides details of the expenses we incurred in the Reporting Period, together with an estimate of our future and total expenses. Expenses are amounts properly payable by us as administrators from the estate and includes our fees, but excludes distributions to creditors. The table also excludes any potential tax liabilities that we may need to pay as an administration expense, other than VAT, because amounts becoming due will depend on the position at the end of the tax accounting period.

The information in the below table should be read together with the receipts and payments account in Appendix A, which shows expenses actually paid during the Reporting Period but which excludes those incurred which have not yet been paid.

In estimating future expenses, assumptions have been made relevant to the annual run rate and the possible duration of the Administration, where appropriate.

Sums have been rounded to the nearest £1k.

# Appendix C: Remuneration update

In January 2009, the Administrators requested and received consent from LB PTG's creditors for the Administrators' remuneration to be fixed by reference to the time properly given by them and the various grades of their staff. The Administrators were also authorised to draw their remuneration from time to time.

As at 5 November 2021, the Administrators have drawn remuneration of c.£2.9m plus VAT in respect of time costs incurred to 30 September 2021.

The time cost charges incurred in the Reporting Period, regardless of whether paid and/or invoiced, are £129.3k. This amount does not necessarily reflect how much we will eventually draw as fees for this period.

We set out later in this Appendix details of our work to date, anticipated future work, disbursements, subcontracted work and payments to associates.

## Our time charging policy and hourly rates

We and our team charge our time for the work we need to do in the administration. We delegate tasks to suitable grades of staff, taking into account their experience and any specialist knowledge that is needed and we supervise them properly to maximise the cost effectiveness of the work done. Anything complex or important matters of exceptional responsibility are handled by our senior staff or us.

All of our staff who work on the administration (including our cashiers, support and secretarial staff) charge time directly to the case and are included in any analysis of time charged. Each grade of staff has an hourly charge out rate which is reviewed from time to time. Work carried out by our cashiers, support and secretarial staff is charged separately and isn't included in the hourly rates charged by partners or other staff members. Time is charged in six minute units. The minimum time chargeable is three minutes (i.e. 0.05 units). We don't charge general or overhead costs.

We set out below the maximum charge-out rates per hour for the grades of our staff who already or who are likely to work on the administration.

<b>BRS &amp; Forensics</b>	<b>£</b>
<b>Partner</b>	985
<b>Director</b>	870
<b>Senior Manager</b>	625
<b>Manager</b>	545
<b>Senior Associate</b>	450
<b>Associate/support staff</b>	280

We call on colleagues in our Tax department where we need their expert advice. Their specialist charge-out rates vary but the following are the maximum rates by grade per hour.

<b>Tax</b>	<b>£</b>
<b>Partner</b>	1385
<b>Director</b>	1275
<b>Senior Manager</b>	975
<b>Manager</b>	710
<b>Senior Associate</b>	520
<b>Associate</b>	285

In common with many professional firms, our scale rates may rise to cover annual inflationary cost increases.

## **Our work in the period**

Although not an exhaustive list, below we provide more detail on the key areas of work.

### **Accounting and treasury — £13,384**

This is an essential function for the management of funds held by the Administrators on behalf of the Company. The Administrators' treasury and cash management teams monitor and control the movement of funds, mitigate risk and seek to maximise the interest made on investments for the benefit of the Company's creditors.

- Provision of information for the purposes of statutory reporting;
- Arrangement of receipts and payments of funds and coding of movements;
- Monitoring flow of funds into the bank accounts; and
- Reconciling bank accounts.

### **Strategy and planning — £29,453**

The Administrators and their staff have invested a proportion of their time in the planning and delivery of their strategy to progress the administration. The Administrators continue to explore strategies that will enable the Administration to be brought to a conclusion and anticipate the Company will be dissolved after the conclusion of the Administration.

Activities include:

- Consideration of strategy including planning of future distributions to maximise the outcome for LB PTG's creditors and updating strategy documents;
- Discussion with stakeholders in regard to this strategy;
- Ongoing review and maintenance of financial information, including updating the estimated outcome statement;
- Ongoing review of the remaining assets in subsidiary companies and managing these in order to achieve closure of the subsidiary estates;
- Planning and calculating the 11th interim distribution to creditors;
- Liaising with liquidators in order to collect balances payable;
- Regular case team meetings to manage case progression; and
- Liaising with specialist internal teams.

### **Statutory and compliance — £53,270**

The following tasks were undertaken in accordance with the Joint Administrators' statutory obligations and/ or internal compliance:

- Preparing and circulating the Administrators' 25th progress report to creditors;
- Dealing with statutory notifications relating to the 11th interim distribution to creditors;
- Generating monthly time cost information in support of the Administrators' remuneration;
- Input into and reviews of the Administrators' witness statement and skeleton argument in support of the court application to extend the Administration;
- Preparations for a court application to replace certain of the Joint Administrators;
- Dealing with statutory filings at Companies House and the Court;
- Preparing the Administrators' internal six-monthly case reviews in accordance with professional requirements;
- Managing and updating communications on LB PTG's dedicated website, maintaining and managing case files, records and the Company's database; and
- Dealing with other ad-hoc compliance and statutory issues.

## Tax and VAT — £22,938

The following tasks were undertaken for VAT and tax compliance purposes:

- Reconciliation, preparation and submission of the quarterly VAT returns;
- Drafting the tax computation and return for 2020;
- Compliance with the Administrators' responsibilities under the Senior Accounting Officer legislation; and
- Preparation for, attendance and follow up to quarterly internal meetings.

## Creditors and distributions — £10,290

The following tasks were undertaken for the benefit of the creditors:

- Paying the 11th interim distribution to creditors; and
- Responding to creditor enquiries received via the Lehman Affiliate mailbox and updating creditor information.

## Our relationships

We have no business or personal relationships with the parties who approve our fees or who provide services to the administration where the relationship could give rise to a conflict of interest.

## Details of subcontracted work

Certain centralised services are undertaken on behalf of the Company by employees retained by LBIE and LB SF Warehouse Limited for their prior and ongoing knowledge of the Company's affairs. Included in these services are the provision of certain tax and VAT services, claims review services and key staff resources. The benefit to the Company's creditors is through cost savings. This is because the Administrators consider it more efficient that this work is carried out by subcontractors and by the centralisation of services. The costs of such services are recharged to the Company on a time costs basis and are invoiced directly to the estate.

## Legal and other professional firms

The Administrators have instructed the following legal professionals on this case to assist with various legal matters arising in the Administration. The selection of individual legal firms is determined by the jurisdiction and nature of the advice being sought, and whether a conflict exists.

All professional firms instructed by the Administrators are required to provide a narrative explanation in support of invoices. All invoices are reviewed before being approved for payment. The Administrators are satisfied that the level of legal and professional costs are appropriate.
